June 26, 2014

Dear Mr. Agostini,

On behalf of Extron Electronics, I would like congratulate you on your completion of the Extron Control Professional Certification in Amersfoort, the Netherlands.

At Extron, we realize your commitment to excellence involves significant time and effort to keep up-to-date with the changing technologies in the AV industry. It is our promise to you to support that dedication by providing consistent and relevant instruction. We truly appreciate the opportunity you have given us to be your source of continuing education for AV products and technical information, and look forward to seeing you in future training sessions.

Your Certificate of Completion is enclosed.

Sincerely,

Jim Clements
Director of Education & Training

Certified ECP Designation Placement Guidelines

The Extron Control Professional Certification Program enables you to:

- Develop advanced knowledge of how to configure and support larger, more sophisticated Pro Series control systems
- Obtain a thorough understanding of Global Configurator Professional
- Learn the best practices of configuring a wide range of room control functions
- Achieve industry recognition for you and your company
- Earn continuing education credits for professional organizations, such as InfoComm

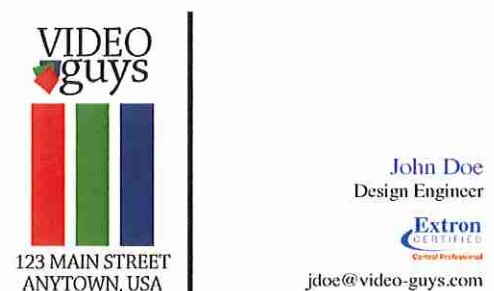

As a certified Extron Control Professional, ECP, you may place the full title of your credential on your company business card, email signatures, resumé, and related stationery to add professional credibility to your status in the AV industry.

The certified Extron Control Professional designation may be displayed in one of the following ways:

Text Option Guidelines:

- Use exactly as shown above
- Times New Roman font
- Font size should be consistent with other elements on the business card, resumé, or related stationery

Logo Option Guidelines:

- Download ECP logo from the Extron website - login required
- Use exactly as shown above
- Logo must not be smaller than 1/2" wide
- Text and logo options cannot be used together

Certified ECP is an individual certification and not a company certification; therefore, this designation should not be displayed in any way that suggests the entire company carries that certification.
